Re: Federal Fiscal Year 2005 Edward Byrne Memorial Justice Assistance Grant (JAG)
Program

Dear Mayor Spehar:

The Florida Department of Law Enforcement (FDLE) anticipates an award in the amount of \$12,243,819 from the United States Department of Justice for Federal Fiscal Year 2005 JAG funds. JAG blends the previous Byrne Formula and Local Law Enforcement Block Grant (LLEBG) Programs to provide agencies with the flexibility to prioritize and place justice funds where they are needed most. The FDLE, Office of Criminal Justice Grants, is the State Administrative Agency for these grant funds which will be distributed in accordance with the provisions of Chapter 11D-9, Florida Administrative Code.

FDLE has set aside \$143,683 of these funds for use by all units of government within Monroe County. The Federal Fiscal Year 2005 (State Fiscal Year 2006) Program Announcement is enclosed for your use and provides guidance for submission of applications for these funds. These funds may be used by local units of government to support a broad range of activities to prevent and control crime and to improve the criminal justice system. Since Congress did not appropriate the same level of funding as in previous years, this amount may represent a decrease in funding.

As a condition of participation in this program, the units of government in each county must reach a consensus concerning the expenditure of these funds. This consensus must include the projects to be implemented as well as the agency responsible for such implementation.

The Honorable Dixie Spehar

Developing such consensus will require someone to exercise leadership and assume a coordinating role in the development of applications for these funds. FDLE recommends that the Board of County Commissioners assume this responsibility.

In the event the county declines to serve in this capacity, the Department will request the governing body of each municipality in the county, in descending order of population, to serve as the coordinating unit of government.

The enclosed Certification of Participation form requests the identification of an individual coordinator. We will send this individual further information regarding the application process in FDLE's on-line grant management system. Please complete the enclosed Certificate of Participation and return it within 30 days from the date of this correspondence to:

PROGRAM ANNOUNCEMENT FEDERAL FISCAL YEAR 2005

Edward Byrne Memorial Justice Assistance Grant (JAG) Program

The State of Florida, Department of Law Enforcement (FDLE), anticipates an award from the United States Department of Justice for \$12,243,819 in Justice Assistance Grant funds. This announcement is to notify eligible applicants of program requirements.

Eligible Applicants

Units of local government are eligible to receive subgrants from FDLE. "Units of local government" means any city, county, town, township, borough, parish, village, or other general-purpose political subdivision of a State and includes Native American Tribes that perform law enforcement functions as determined by the Secretary of the Interior.

Program Strategy and Purposes

Units of local government applying for these federal funds must use them to implement projects that offer a high probability of improving the functioning of the criminal justice system, aggressively and effectively to support a broad range of activities to prevent and control crime based on their own local needs and conditions.

JAG blends the previous Byrne Formula and Local Law Enforcement Block Grant (LLEBG) Programs to provide agencies with the flexibility to prioritize and place justice funds where they are needed most. JAG funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice for any one or more of the following purpose areas:

- 1) Law enforcement programs
- 2) Prosecution and court programs
- 3) Prevention and education programs
- 4) Corrections and community corrections programs
- 5) Drug treatment programs
- 6) Planning, evaluation, and technology improvement programs.

Any law enforcement or justice initiative previously eligible for funding under Byrne or LLEBG is eligible for JAG funding.

Program Development

Each county is allocated a sum of money for use by all local governments within the county. This amount is determined through a funding algorithm established in administrative rule.

Chapter 11D-9.005, Florida Administrative Code, requires that units of government in each county reach consensus concerning the expenditure of these funds, including the projects to be implemented and the agency responsible for such implementation.

Maximum coordination is required to meet this program requirement and the Department requests the county board of commissioners to coordinate requests for all local governments within the county. The Chairman, Board of County Commissioners, in each county so notified is requested to return to the Department a statement of certification indicating the county's willingness to serve as the coordinating unit of government for at least 51 percent of the units of government which also represents at least 51 percent of the population located in said county. This certification must be returned within 30 days from the date of receipt of notification. In the event the county declines to serve in this capacity, the Department will request the governing body of each municipality in the county, in descending order of population, to serve as the coordinating unit of government.

Match Requirements

There is no match requirement under the guidelines of the new JAG program.

Application Requirements and Deadlines

Once the Certificate of Participation form designating the coordinator for your county is received, the Office of Criminal Justice Grants will send this individual further information regarding the application process.

Applicants must apply on-line using FDLE's new grant management system. In addition to the on-line submission, applicants must print out the completed application and submit **two (2) hard copies** (both with *original signatures*) no later than **5:00 P.M., Friday, June 24, 2005.** **A separate application must be submitted for each proposed project.** Applications should be mailed or hand delivered to the following:

Mr. Clayton H. Wilder
Community Program Administrator
Office of Criminal Justice Grants
Department of Law Enforcement
2331 Phillips Road
Tallahassee, Florida 32308

Applications must be accompanied by letters of approval representing agreement among at least 51 percent of all units of local government representing at least 51 percent of the county population as to the allocation of dollars to each project in the county.

Questions regarding this Program Announcement should be directed to Clayton Wilder, Florida Department of Law Enforcement, at (850) 410-8700.
